It is a 17 minute expose on this community of traditional Catholic Monks of Papa Stronsay, Scotland as seen from the perspective of an avowed, but thoughtful atheist.

Reminder: Keep in your prayers, FSSP deacons: Peter Bauknecht, Simon Harkens, Garrick Huang, Rhone Lillard, John Rickert, and John Shannon.

From OLPH Cathedral: We have already contacted some parishioners about the *We Walk by Faith Special Appeal* and we will continue to do so in stages during May and June. We very much appreciate everyone's cooperation and patience as we give families the opportunity to meet with a parish volunteer to learn more about the plans to increase our outreach to college students and develop *Terra Sancta* for the benefit of our parishes and families. When you are asked to attend an event to learn more about this effort, kindly give an hour of your time, for we are convinced that you will quickly understand why this effort deserves your support. Please pray for the success of the appeal and for our parish as we work toward reaching our goal.

ON THE GOSPEL

Ask, and you shall receive; that your joy may be full.

Many people go into church, and there recite endless prayers, and then they go out again without knowing a word of what they said. Their lips moved but the sense of hearing, even the mind, perceived nothing. You who cannot hear your own prayers wish that God will! You will say: "But I went on my knees." Yes, but your mind went wandering. Your body was indeed in the church but your mind was outside it. Your lips recited prayers, but your attention was taken up with profit and loss, with business, with exchange, with property, with meeting friends.

~ St. John Chrysostom, Confessor, Archbishop, Doctor; 354-407.
